Brand New Book ***** Print on Demand *****.I know what youre thinking. Youre thinking that yoga and a wonderfully curvy figure just dont go together. Youre just not flexible enough, your curves would get right in the way and that your body just wouldnt obey you. Youd wobble like an ugly duckling and finish up feeling embarrassed and very silly. At least thats what you think. But did you know that over the last few years, a revolution has been gathering place in the yoga studios and living rooms of the world? Over the past few years, I have helped empower curvier women to start a yoga practice no matter what their challenges, or how scared they might feel, and now Im here to do exactly the same for you.
