

## Baj and the Word Launcher: Space Age Asperger Adventures in Communication

By Pamela Victor

Jessica Kingsley Publishers. Paperback. Book Condition: new. BRAND NEW, Baj and the Word Launcher: Space Age Asperger Adventures in Communication, Pamela Victor, 'Baj has real family adventures, confrontations, successes and failures , and the book is positive and full of humour. It could be read by children from 7 upwards and could also be used with older pupils who have special needs.' -The School Librarian 'I think this book would be a useful addition to the library of any secondary school with youngsters with Asperger's Syndrome or higher level ASD.' - Michael Jones, Educational Consultant 'What I particularly like about this book is that it is written as a story, but clearly has the youngster with Asperger's Syndrome in mind. At the end of every short chapter there is a Stop and Think box with key questions about the characters' motivations and feelings.' - Michael Jones, Educational Consultant 'For those people working with children who have control and communication problems, this book is a must. It is not too young or easy for 10 or 11 year olds to appreciate but also not too old for younger children. It is well written with places where you can stop and discuss...
