

Human & Social Biology for CSEC Examinations Pack

By Philip Gadd

Macmillan Education. Mixed media product. Book Condition: new. BRAND NEW, Human & Social Biology for CSEC Examinations Pack, Philip Gadd, This popular and established series has been completely revised and updated. The series has been written by highly experienced teachers especially for students studying for the CSEC General Proficiency examinations. The books have been written to make it easy to study a whole topic from scratch, or to seek out answers to specific problems. The new editions include interactive CD-ROMs offering further study on challenging topics with the syllabus. The wide range of activities, animations, videos, games and experiments offer a new and exciting way for students to learn, as well as greatly increasing their enjoyment in the subject. A markbook and feedback for every question allows students to monitor their progress and encourages learner independence. "Macmillan Science for CSEC[registered] CD-ROMs" are also available to buy as standalone items. This title covers all sections of the latest CSEC syllabus. Learning objectives are stated for each chapter. The books form a useful reference resource for teachers. Keywords highlighted in the margins form a glossary. Diagrams and photographs with captions illustrate important points. Table summaries and diagrams provide all the essential information...

Reviews

This pdf is so gripping and exciting. It can be full of knowledge and wisdom I am just effortlessly could get a enjoyment of reading a published pdf.

-- **Henri Gutkowski**

This ebook is definitely not straightforward to begin on studying but quite fun to read. It is one of the most awesome book i actually have go through. Once you begin to read the book, it is extremely difficult to leave it before concluding.
