

Igcse Mathematics for Edexcel: With Many Examples, Practice Questions and Answers

By Vali Nasser

Createspace, United States, 2015. Paperback. Book Condition: New. 214 x 149 mm. Language: English . Brand New Book ***** Print on Demand *****.This book has been specially written to help you revise for IGCSE Mathematics Higher by Edexcel. Although the book starts gently with some basic reminders its main aim is to work towards getting a grade B, A or A* in the exam. Hopefully, some of the material will already be familiar to you. If you work through most of the examples in this book as well as the practice questions you are very likely to pass with a very good grade. This book has many worked examples and practice questions to help you become familiar with the exam. It is a good revision guide.

This book is definitely not simple to begin on studying but quite fun to see. I actually have read and that i am sure that i will gonna read through yet again once again in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.
