

11+ Non-Verbal Multiple Choice Practice Papers: Pack 1

Filesize: 6.05 MB

Reviews

It is great and fantastic. I actually have read and so i am certain that i am going to going to go through once again yet again in the future. I realized this ebook from my dad and i encouraged this book to find out.

(Dr. Kayden Gerlach)

The University of Buckingham Press, United Kingdom, 2012. Paperback. Book Condition: New. 304 x 216 mm. Language: English . Brand New Book. A radically different new concept in exam preparation, the First Past the Post series marks an important departure from what is already on the market. Apart from the undoubted quality and quantity of the questions and answers formulated by ElevenPlusExams, the largest UK on-line 11+ resource , the essential thing that differentiates these papers from others is that the student is able to go online with a unique-to-them code. This enables them to take the test in proper exam conditions and get a full evaluation and assessment and bespoke feedback on what they need to strengthen. Crucially, it gives them the vital benchmark on how they compare with their peers as this is the only way they can truly know where they stand. It also gives them a measure on how they performed against the pass percentage of their chosen school in the previous year. There is no national syllabus for the 11+ exam, no pass mark and no retake option. Unlike conventional exams it s always been examined on a first past the post principle. This is where the 11+ Peer-Compare system comes in: the key to success or failure is how the student performs against peers. These practice papers are best used as real exam practice to benchmark your child s performance in readiness for the actual exams while also using the ElevenPlusExams on-line service for identifying areas for improvement and, crucially, gauging relative peer performance. They are perfect for use both in the classroom and at home. ElevenPlusExams is the UK market-leader and hosts a forum administered by a select group of experienced moderators.
