Brand New Book ***** Print on Demand *****.Incarcerated cult leader Justin Gabriel, convicted of ordering his followers to kill, has spent ten years honing his mind control abilities. His parole hearing is approaching-his one and only shot at freedom-and he is determined to silence anyone who might speak against him. Taking the form of a giant predatory bird, Gabriel terrorizes his enemies-those who got him convicted-through their dreams, causing heart attacks or insanity. The last survivor is ex-cop Bill Fogarty, now retired and enjoying a new life and love. Gabriel invades Fogarty s dreams with terrifying visions, eventually causing a mental breakdown and institutionalization. Fogarty s longtime friend and former colleague, Philadelphia medical examiner Josef Tanaka, desperately tries to put the pieces together in time to save his friend. But will these two men, accustomed to the clinical realities of autopsy tables and precinct desks, be able to fight for their lives in the realm of the Dreamtime?.
