Andrews McMeel Publishing, United States, 2013. Hardback. Book Condition: New. 142 x 135 mm. Language: English . Brand New Book. The bond between people and their pets has never been stronger, and millions of Americans will welcome Celebrating Dogs, an inspirational gift book that honors our affinity for our furry friends. Drawn from stories and words of wisdom from and customers and employees, the book balances practical information with appealing stories about the meaning and uniqueness of life with a dog gleaned from real people. The stories are interspersed with meaningful quotes and little-known facts about the one-of-a-kind relationship dogs owners share with their pets, striking a universal chord for all pet-owners. Celebrating Dogs opens with a short introduction by 1800-Flowers President Jim McCann about his experiences with family pets. The book is a warm reflection on the unique relationships that are created by the human-animal bond, and it serves as a reminder of the spirit and eternal nature of true devotion and love between people and their pets.
