ESSAYS ON DARWINISM (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Essays on Darwinism The opinions of Mr. Darwin have now been for many years before the world. His own book on The Origin of Species by means of Natural Selection, unfolds and supports them with admirable clearness of argument. Far from being an abstruse and tedious work, it carries the reader on with unflagging interest to the close. Observations and experiments, some the most simple, some the most elaborate, notes on natural history, as well from every quarter of the globe as from almost every province of nature, are brought to bear upon the subject without confusion of thought or embarrassment of style. The language flows easily in its calm, temperate, unegotistical course. There is no disguising of objections, no seeking of opponents. There is an evident searching after truth. Of its form or of its shadow the author s mind as evidently retains a bright clear vision, and what he sees he tries to make others see as clearly as he sees it himself. The suspicion and dislike which are aroused in some minds by the very name of Darwinism cannot be retained by those who read Mr. Darwin s own description of his theory and the grounds which slowly led him to adopt it. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy.
