Reviews

A whole new e book with a brand new standpoint. I have read through and i also am certain that i am going to planning to read again yet again later on. I found out this book from my i and dad advised this pdf to learn.

(Audrey Lowe I)

LETTERS TO A FRIEND: WRITTEN TO MRS. EZRA S. CARR, 1866-1879

COSIMO CLASSICS, United States, 2006. Paperback. Book Condition: New. 229 x 147 mm. Language: English . Brand New Book ***** Print on Demand *****.I wish that you could have seen the edge of the snow-cloud which hovered, oh, so soothingly, down to the grand Pilot Peak brows, discharging its heaven-begotten snows with such unmistakable gentleness and moving perhaps with conscious love from pine to pine as if bestowing separate and independent blessings upon each. In a few hours we climbed under and into this glorious storm-cloud. What a harvest of crystal flowers and what wind songs were gathered from the spiry firs and the long fringy arms of the Lambert pine! -from Yosemite, [1871] Perhaps the most important of the founders of the modern conservation movement and an immense influence on animal-rights philosophies, John Muir was a champion of the preservation of unspoiled wilderness. His studies and surveys of Yosemite Valley and the Sierra Nevada mountains in the late 19th century-and his love of their untamed beauty-led directly to federal protection of vast ranges of virgin Western lands. This collection of letters Muir wrote as a university student in the 1860s and 70s to his spiritual mother, botanist Mrs. Ezra Carr, offer a fascinating look at the legendary naturalist as a young man. Dispatched mostly from Yosemite Valley, where he was working as a shepherd, they reveal the shaping of the philosophies that would later dominate Muir's work. A legend of the American West and the careful guardianship of the environment-as well as the freedom the natural world represents-Muir's writings are must reading for anyone who appreciates the wild splendor of our planet. Also available from Cosimo Classics: Muir's Studies of the Sierra, and Steep Trails. OF INTEREST TO: fans of John Muir's life and work,...
