## WHISPERING SMITH (SUMMIT CLASSIC COLLECTOR EDITIONS)

Createspace, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book. This collector-quality edition includes the complete text of Frank H. Spearman s classic western novel in a freshly edited and newly typeset edition, together with an author biography and introductory comment to give the modern reader a quick background on the significance of this work and a new bibliography of Spearman s major works. With a generous 6x9 page size, this Summit Classic edition is printed on hefty 60# bright white paper with a fully laminated cover featuring an original full color design. In 1906 his novel Whispering Smith quickly became a best seller, and it remained popular for several years, leading to multiple silent film adaptations and, much later, several additional film versions and a television series. The straightforward plot, involving railroaders fighting nature and outlaws, and a great man gone bad, was fairly simple, but...
