# MANAGING SOFT SKILLS FOR PERSONALITY DEVELOPMENT

McGraw Hill Education, 2012. Softcover. Book Condition: New. First edition. Development is sometimes defined as the process of expansion of human capabilities rather than materialistic acquisition and possession. The significance of personality development transcends beyond the individual domain and is now recognized as a critical component of corporate success. This is one of the reasons why the modern corporate sector is now engaged in soft skill development to make the hard skill endowment of its professionals more complete, effective and...
