There were hundreds of ways which were used to make fire out of almost nowhere, and they fulfilled some of those elementary purposes for which fire is used, even today. We are least likely to come across situations and circumstances that our stone-aged ancestors faced, where they were required to make fire to survive. Nevertheless, the tools and technologies that today s sophisticated and highly advanced world has brought to us are useful only when they are within access. You will need knowledge, skills, educated ideas, and some basic tools to start a fire when you are stuck in a far-flung island all by yourself. All you need is a tall flame to make yourself noticed and be located. You will need these skills when you are staying overnight in a zone you chose to chase game if you forget to bring matches or a lighter to start fire, which could keep you...
