Will be welcomed by those who wish, without studying the matter for professional purposes, to possess a scientific knowledge of modern electrical machines. If all the volumes are as useful, the Series will attain a wide popularity. - English Mechanic. A satisfactory handbook for students and practical engineers. - Scotsman To such as are interested in such technical and practical views, the present handbook will be of vital service. - Colliery Guardian. Presents in condensed form an epitome of electrical progress up to recent dates. - Scientific American. The present book discusses a most essential phase of the electrical question. about which more diversity of opinion has arisen than any other. The dynamo machine is coming to be considered in its true light as a very valuable aid and auxiliary to steam and other prime movers. All that is interesting and useful upon the subject may be said to be comprised within the pages of this work. - Mining World. The work will be found very useful. - Chemical News. Explanations are given to enable the reader to understand the reasons for the eccentric shape and construction of some of the apparatus described, a feature in which previous works of this order have not usually been strong. - Journal of Gas Lighting. This book will be found to contain the latest and best information. - Western Morning News. Imparts an intimate knowledge of those machines. - Freeman s Journal. About...
