Troubador Publishing. Paperback. Book Condition: new. BRAND NEW, Paths of Courage, Mike Woodhams, The North Koreans have created a lethal super virus.Terrorists have hijacked a Russian nuclear submarine.Together, they are planning an attack that could have deadly consequences.Using their spy networks in Seoul and Moscow, British Intelligence establish that the North Koreans are manufacturing a lethal super virus. They also learn of a planned attack on a major western city, to be carried out by terrorists using a hijacked Russian nuclear submarine. Are these two strands of intelligence linked? MI6 send a small team of specialists into North Korea with orders to verify if a virus does exist. Led by Frank Ryder, an ex-SAS operative, who is accompanied by Dr. Grace Seymour, an army virologist, the team search the remote central highlands to find the manufacturing facility. Meanwhile, the British Navy's 'state-of-the-art' nuclear submarine, HMS Ambush, is ordered to find and destroy the hijacked Russian submarine. The crew must endure weeks of cat-and-mouse searching, but will they succeed in finding the rogue submarine before a missile and its deadly warhead are unleashed towards an unsuspecting city? Paths of Courage brings together the unusual combination of a British clandestine military operation into North Korea and associated submarine warfare. Reflecting today's modern world, it is a brutally realistic, gripping read for anyone interested in espionage, particularly those with a penchant for the 'man against all odds' scenario.
