Reviews

A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.

This package includes the Enhanced Pearson eText and the loose-leaf version This widely popular text uses a management approach organized around the processes and procedures necessary for implementing effective human resources administration to give students a comprehensive, user-friendly look at the fundamentals. It presents the human resources function within the context of public school districts; covers the eight essential dimensions of the human resources function: human resources planning, recruitment, selection, placement and induction, staff development, performance evaluation, compensation, and collective negotiations; and looks at the legal, ethical, and policy aspects of human resources administration. Now available as an affordable e-book, Ronald Rebores Human Resources Administration in Education weaves the language of technology throughout; includes more stories and personal examples; poses reflective questions on the focus scenarios; includes a section on value added performance evaluation and more information on win-win collective negotiations; and includes updating throughout. The Enhanced Pearson eText features assessments and internet resources. Improve mastery and retention with the Enhanced Pearson eText* The Enhanced Pearson eText provides a rich, interactive learning environment designed to improve student mastery of content. The Enhanced Pearson eText is: Engaging. The new interactive, multimedia learning features were developed by the authors and other subject-matter experts to deepen and enrich the learning experience.
