THE LAST PRINCESS: THE DEVOTED LIFE OF QUEEN VICTORIA S YOUNGEST DAUGHTER

Orion Publishing Co, United Kingdom, 2008. Paperback. Book Condition: New. 212 x 134 mm. Language: English . Brand New Book. Queen Victoria s favourite child - the true story of a royal mother-daughter relationship that changed history Beatrice was the last child born to Queen Victoria and Prince Albert. Her father died when she was four and as Matthew Dennison relates Victoria came to depend on her youngest daughter absolutely, but she also demanded from her complete submission. It is an enthralling story, not just of a mother/daughter relationship, but of a Queen and subject relationship. Beatrice succumbed to her mother s obsessive love, so that by the time she was in her late teens she was her constant companion and running her mother s office, which meant that when Victoria died her daughter became literary executor, a role she conducted with teutonic thoroughness. She edited and bowdlerised her mother s Journals that cover 70 years and where possible her voluminous correspondence. Although Victoria tried to prevent Beatrice even so much as thinking of love, her guard slipped when Beatrice was 29. She met Liko, Prince Henry of Battenberg, and fell in love. Beatrice, however, did not end up simply as a wife and mother. She loved music and composed a military march which remains in the repertoire of British regimental bands, she sang and she painted. Matthew Dennison draws on extensive new material to restore Princess Beatrice to her rightful place as a key figure in the Victorian dynasty.
