Brand New Book ***** Print on Demand *****.In my many years in the Image Industry, I often get asked by men how do I put a wardrobe together, my clothes selection is a real mess? It is not hard to put a quality wardrobe together that will be suitable for all occasions, but it will take some time and of course money. One of the main secrets of selecting clothes is to think classic and quality and make sure your clothes fit properly. For example, a quality suit that costs say \$500 or more will look better and last longer than one that costs just \$250. The fabric will be of a better quality, the style and cut will be better, and so will the fit. Therefore, your initial investment for good quality clothes will probably be higher than if you select cheap clothes, but it is the long term investment that counts here. A good quality suit could last 10 years or longer, whilst a cheap suit will have to be replaced more frequently. So whilst it might appear that a bargain suit was more cost effective, in the long run it isn't. When putting your wardrobe together it is important to select clothes that are interchangeable. So what do I mean by being interchangeable? It means that each item of clothing will match a number of complementary items that will create many different looks. You should strive to build your clothes selection so that at least 60-70 percent of the items in your wardrobe will be interchangeable with each other. And the best way to do this is to choose classic clothes to build your wardrobe around. Take a navy blue suit...
