Evacuation: A Family Guide to the 21st Century

By Michael Riemann, Andrew E Jones

Createspace, United States, 2012. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.This is the most recent edition of our popular book Evacuation: A Family Guide for the 21st Century. It is a practical text, explaining in layman terms, what to do when there is no time to think. It is important that the practices in this book be reviewed well in advance of an evacuation emergency so that when the times come you will be ready to go in a minutes notice. There are countless examples of those not believing that it will ever happen to them are caught off guard when the time comes to make the decision to evacuate. As a result, they end up loosing many precious processions and in some cases their lives. It is simply too easy to be prepared with just a little effort and forethought. This book is a step by step guide on how to make this effort effective, efficient and actually fun as you involve the entire family in the process. By studying these principles, every family member will know what to do, where to go and how to carry...
