DIALOGUES WITH CHILDREN

Harvard University Press. Paperback. Book Condition: New. Paperback. 136 pages. Dimensions: 8.2in. x 5.5in. x 0.5in. Every week for a year, a professional philosopher and eight children at a school in Edinburgh met to craft stories reflecting philosophical problems. The philosopher, Gareth B. Matthews, believes that children are far more able and eager to think abstractly than adults generally recognize. This book has considerable implications for education and for our understanding of the range of relationships between adults and children. With...
