PRIMAL CREDO: YOUR ENTRANCE INTO THE APOSTLES CREED

Doctrina Press, United States, 2011. Paperback. Book Condition: New. 203 x 133 mm. Language: English . Brand New Book ***** Print on Demand *****. Primal Credo is a fresh, modern reading of the Apostles Creed. Some followers of Christ have never heard of the creed and others recite the creed Sunday after Sunday without giving it much thought. This book will help you grow in faith if you are a new Christian or a seasoned saint. Enter into the creed and discover your DNA as a believer in Jesus Christ. The Apostles Creed is an entry point into God's story. From I believe in God, the Father almighty, creator of heaven and earth to I believe in the resurrection of the body and the life everlasting the Apostles Creed provides a helpful synopsis of God's story recorded in Scripture. Both the creed and the Scriptures are gifts from the historic church to the contemporary church. The creed works to keep us focused on the big ideas of the Bible, namely God the Father, Son, and Holy Spirit. The creed has been around nearly as long as there has been a Christian Church and for centuries followers of Christ have looked to the creed as a guide to weed out wrong ideas about God, creation, Jesus, salvation, and the end of human history. This book offers a compelling reflection on the Apostles Creed, guiding the reader through the language of the creed without big, hard-to-understand, theological words. Primal Credo allows everyday Christians to understand and live out the essentials of the Christian faith. Book reviews: Postmodern people are happily rediscovering spirituality, but must wonder if or where faith might find authentic roots. Vreeland's guidance through the Creed offers a fresh connection to the apostolic faith and community. These meditations...
