OCLC Number: (OCoLC)256465176 Subject: Aviation medicine -- Management. Excerpt: . . . 9 22 05 AC 00-64 c. Recurrent Practice and Feedback. AMRM training should be included as a regular part of recurrent training. Recurrent AMRM training should include refresher practice and feedback exercises. Advanced AMRM components may be introduced as the air medical team grows and develops comprehensive use of AMRM principles. Recurrent training allows participants to practice newly improved skills in communication and interpersonal relationships and to receive feedback on their effectiveness. Feedback has its greatest impact when it comes by way of self-critique and peer review. Feedback in a debriefing environment should focus on the action not the individual. Guidance from a facilitator with special training in assessment and debriefing techniques completes an effective practice feedback process. d. Continuing Reinforcement. AMRM concepts should be carried into every other type of training including technical and interdepartmental training so that those concepts are reinforced continuously. Dissimilar groups should all be brought together for joint AMRM training. The objective is to improve the effectiveness and safety...
