In his new book Apostle Beloney drives home the reality that we are our Father s sons and daughters. He underscores the promise our Father has made to all of us who believe. Not only has the redemption of our soul given eternal life, it has also transformed us into our Father s Sons. He details how many believers relegate themselves to a life of service to our God. However, he shows how our heavenly Father desires us to be his sons/daughters and not his servants. Our father did not send the Christ to make us servants. Jesus went to Calvary to give us eternal life, power, and sonship. Sonship gives us awesome authority. It is absolutely imperative that we break free from the mindset of a servant. The pages that follow are berthed out of a long, relentless, search for the truth of our relationship with Christ and also with our heavenly Father. Finally Apostle Beloney shares how his sonship has brought him to a new place of power, assurance and expectation. I am sure that as you read the revelation contained in the following pages you to will begin to walk in this same confidence and knowledge. May our Father grant unto you the courage to receive what the Holy Spirit is speaking to the church.
